

Attendance (Virtual Learning)

Students are expected to attend all scheduled classes daily Monday -Thursday. Students are expected to login on time at the beginning of every class and remain for the entirety of the class period.

If a student is absent, a parent/guardian must email the school's graduation specialist, Ms. Nolley at nnolley@rockdale.k12.ga.us within three days to be reviewed.

When a student is absent from class/school, the student has the responsibility to initiate all make-up work on the first day he/she returns to class/school. If a student will miss three or more days, the parent or guardian should contact the teacher to ensure access to missed assignments.
